

Who Grows Your Food?

Three Graces Dairy • Madison County, NC

In antiquity, the Three Graces brought beauty, mirth, and hospitality to the gods. Sacha and Roberta's three graces are the goat, the sheep, and the cow that give the exquisite milks that inspire their cheeses.

The mother and daughter team makes French-style farmstead cheeses on the historic Madison County farm where they raise their animals.

**Sacha Alford and
Roberta Ferguson**
